Melb Cup

As usual, we are running Melbourne Cup Sweeps. We will have \$2, \$1 and 50c sweeps available at Reception from 28th Oct until the morning of the race (1st Nov). We will stop selling around 11am, which

gives us time to draw the names and display them on the noticeboard at the front of the shop. We will also show the race in 'The Shed'. Good luck everyone!

Pre-Cup Cuppa

Come and join us for a pre-Melbourne Cup Cuppa on Monday 31st October. Starts at 10am in 'The Shed'. Wear a hat—the madder the better—you may win a prize! BYO money for raffles. We will have some yummy morning tea (gluten free catered for) and some horsey stories (feel free to bring your own!). We will also be selling sweeps for the big race on Tuesday the 1st.

Iluka Sewerage

Ledonne and their fellow contractors are progressing well. You will no doubt have noticed them laying a large pipe along Marandowie Drive over the past few weeks and more recently, at the entrance to the park. This is the main access pipe that runs into Iluka from the plant (sewerage works) on Johnson's road.

There is still much to be done before the houses get connected, but they appear to be working quickly. This is a valuable time for the history of Iluka so Ledonne has been giving a copy of their progress photos to Pat Shepherd (from the Ratepayers & Residents Association of Iluka) who is keeping them safe for posterity. Pat has also given us copies of the photos and we have sifted through and chosen a few that show the various stages of progress. You can find these on our website gallery page: www.anchorageholidaypark.com.au
